Natatorium

The Natatorium Executive Committee met with Gibraltar Design on Tuesday to review the site plan and functions of the natatorium. Gibraltar will present the natatorium design and functions to the Superintendents Natatorium Committee on December 6th at 9:00 a.m. at the Administration building, and to the Board at the regular meeting at Heavilin Elementary on December 14, 2017. Skillman will issue the project for bid in Spring 2018. Dr. Frataccia stated that the Board presentation should include information on the operational efficiency and cost effectiveness of the new pool filtration system.

Construction Update

Dion reported that punch list items are being addressed at *Memorial and Cooks Corners Elementary School*. At Northview the Market and Administration area will be turned over in early February. At *Parkview* the Market and Administration areas will be completed and turned over after the winter holiday break. At *Central* work continues on the front entrance and inside mechanical / engineering. Work continues at *Thomas Jefferson Elementary* on the Gymnasium and Market area. Classrooms at the east wing will be turned over after the winter holiday break. At the *Porter County Career Center* framing on the new addition continues.
