At the February 25, 2016 Board meeting, Scott will seek Board authorization to advertise for bids for TJMS Fieldhouse Floor and VHS Gymnastics Pit. A pre-bid meeting will be 3/7/16 and bid opening will be 3/15/16 at the Administration Building. The VHS Gymnastics Pit and the TJMS Fieldhouse Floor will be paid from Deferred Maintenance. Both projects are scheduled to be complete August 2016. Alex presented the floor plan of the Gymnastics Pit and reported the estimated cost is \$112,000 (not including foam). This is \$40,000 over the original estimate because the design was revised from a square to an "L" shape. Foam will cost an estimated \$25,000-\$30,000.
