

## **February 8, 2018 - Conference Call**

Jim Thompson - Gibraltar Design  
Dion Katsouros, Scott Cherry - Skillman Corp.  
Dr. Lauck, Dr. McCall, Lisa Frankus – VCS

### **Secured Entrances / Roofs Thomas Jefferson and Ben Franklin Middle School / Flint Lake Elementary**

Plans for the secured entrances were reviewed. Dr. Lauck requested the addition of a door to the hallway from the Assistant Principal's office at Thomas Jefferson Middle School. At Flint Lake there is a door on the north side of the vestibule that leads to the Art Office. This is an egress door that has to remain because code requires a second exit. Gibraltar will proceed with cost estimates.

### **Natatorium**

The Equipment Manual was distributed to the coaches. Jim Thompson reported that a poured epoxy floor may be a suitable alternate to ceramic tile for locker room floors.

### **Construction Update**

Dion reported that all projects are going well and are on schedule. At Northview the gymnasium/market area, art and music rooms and administration wing will be turned over February 16<sup>th</sup>. The new main entrance will be turned over on February 20<sup>th</sup>. At Parkview south wing classrooms will be turned over after spring break. At Thomas Jefferson Elementary the gymnasium/market area and administration wing and small group learning rooms will be turned over February 16<sup>th</sup>. At the Porter Co. Career & Technical Center the machine shop addition will be turned over February 19<sup>th</sup>. At Central Elementary mechanical / electrical / plumbing work is nearly complete. At Valparaiso High School ongoing classroom renovations throughout the building are on schedule. Final finishes are complete in the Guidance area and are being turned over today. A second shift has been added at VHS so that more of the noisy demolition can take place when the students are not in the building.
